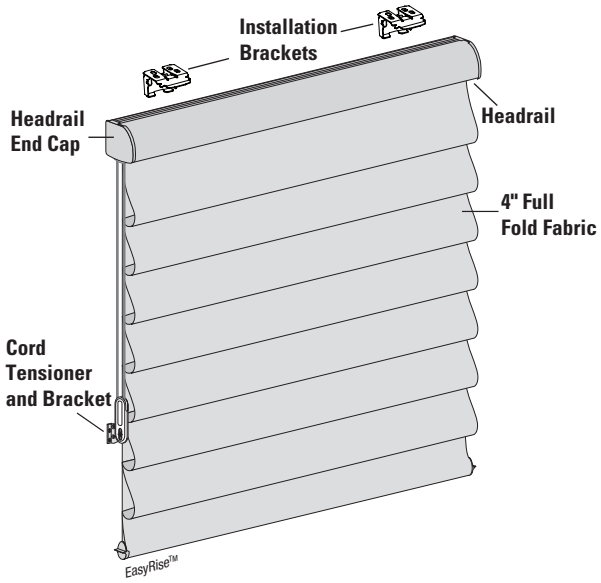
Vignette® FR

Modern Roman Shades



KEY FEATURES

- 4" full folds in light-filtering and room-darkening
- 6" flat folds in light-filtering and room-darkening
- Rolling style shades roll up into the headrail
- Light-filtering lining filters glare, but allows soft light to enter the room
- Room-darkening lining allows for complete privacy
- For safety, EasyRise™ continuous cord loop and cord tensioner anchor cord at side of window
- Two-On-One Headrail panel widths may be equal or unequal; unless otherwise specified, the two panels will be split in the center. With unequal panels, the smaller panel must be at least one-third the measured width of the larger panel
- Passes NFPA 701 Small Scale Flammability testing
