We BCM Architectural, material supplier for ShimmerScreen chain do hereby warrant that all materials furnished are free from defects due to defective materials.

Should any defect develop within 30 days of installation the contractor should notify the supplier immediately in writing. Under no circumstances will we be responsible for consequential damages or otherwise for damaged or defective goods further than to replace them after they have been returned to us and found to have been defective before leaving our hands.

Nothing in the above shall be deemed to apply to work which has been abused or neglected by the owner.
