OPERATION

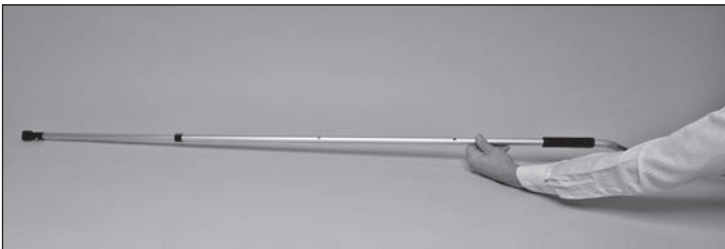

Operate the Shade

■ **If you have an extension pole:** Set the extension pole to the correct length, if necessary.

- Locate the pole lock and press the lock in firmly.

- Slide the pole extension until it locks in place at the correct length.

To Lower the Shade

- Rotate the crank handle or the extension pole counterclockwise to lower the shade.

**To Raise the Shade**

- Rotate the crank handle or the extension pole clockwise to raise the shade.
