

Artwork Requirements

Roller Shades

Customer Provided Images

For any customer provided images an artwork release form must be signed before production.

Please provide the artwork in either a vector or high-resolution Tiff (300ppi or higher) format. Artwork can be sent via email or one of the file-sharing websites listed below.

Acceptable file sharing sources

<https://www.google.com/drive/download/>

<https://wetransfer.com/>

Due to security issues, files sent via Dropbox cannot be accepted at any Hunter Douglas company as of August 31, 2018.

Sourced Images

We will gladly help source artwork based on a provided inspiration image. We have a contract with Shutterstock and will use that as our first resource to find the best image to fit your needs.
