

Pinch Pleat Drapery

Drapery

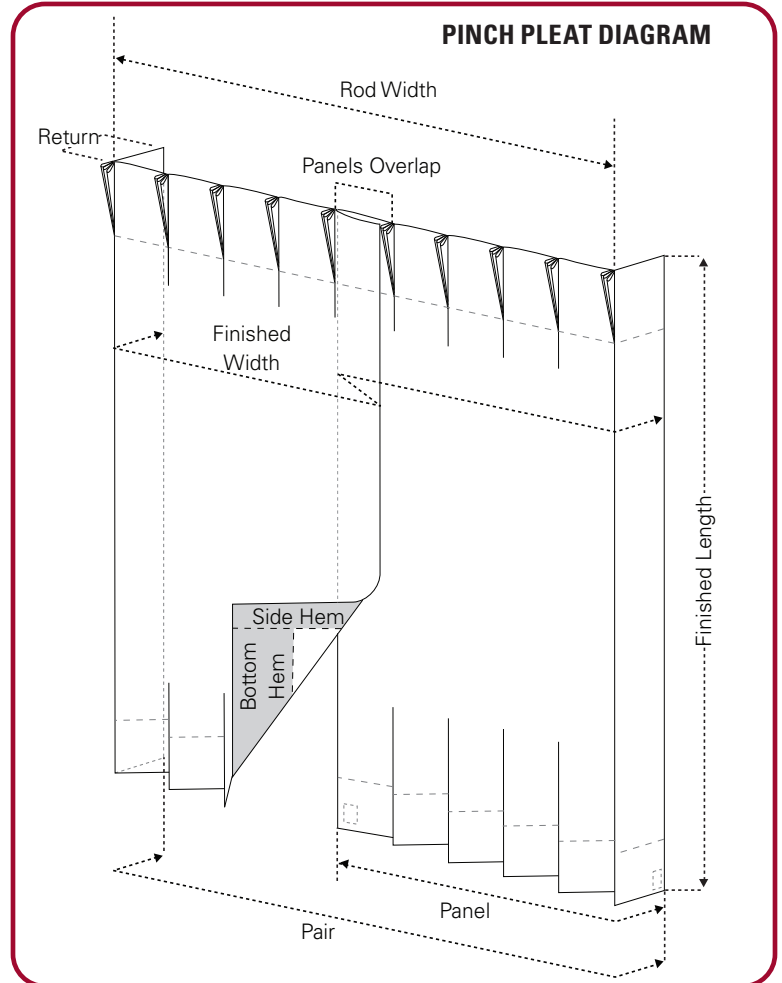

Pinch Pleat drapery offers a versatile and economical solution featuring superior light blocking capabilities, making it our most popular guestroom drapery option.

FABRICATION DETAILS

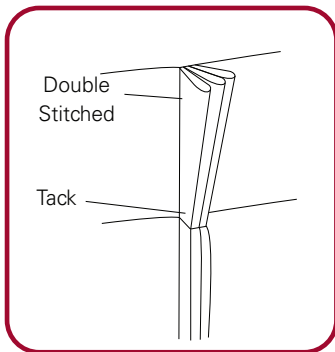

- Slide carriers - attached with pin-on hooks
- Headings - 4" wide buckram folded into fabric prior to stitching (can be suspended under the track or over the face of the track)
- Three-finger pinch pleats spaced approximately 3" to 5" apart, varying by fullness
- Fullness options - 200% (Standard), 250% or 300%
- Selvage edges - removed or clipped before fabrication as necessary
- Multiple widths joined using overlapped seams and safety stitch
- Hems
 - Bottom: 4" double-folded
 - Side: 1.5" double-turned folds
 - 0.25 oz. corner square lead weight
 - Blind stitched using thread to complement fabric color (blackout is single stitched)
 - Available Options: Double Turn Hem, Shot Tape for Sheers

NOTE

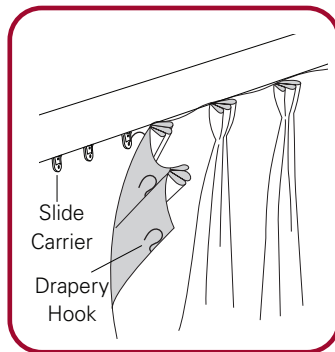

- All specified fabrics must meet NFPA 701 fire rating requirements
- Hunter Douglas Hospitality accepts COM (customer supplied fabric), provides buy-out service from a specified vendor, or can offer drapery fabrics from our collection
