

Drapery and Bedding Fabrication

DRAPERY AND ROMAN SHADES

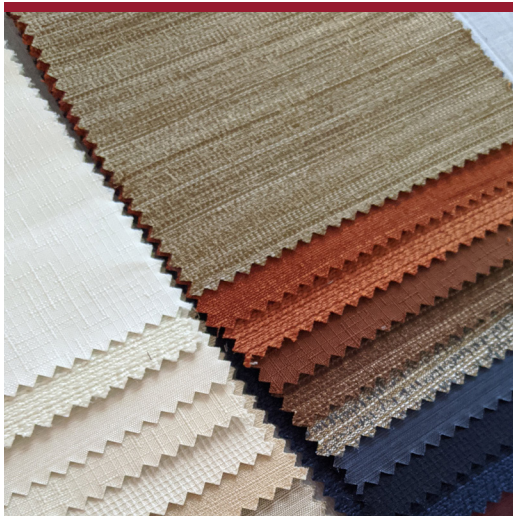

Our drapery capabilities include but are not limited to pinch pleat, Ripplefold®, Roman shades, cornices, valances, and fully custom options.

- Select a fabric from Hunter Douglas Hospitality's Infinity Fabrication Collection or specify the FR drapery fabric of your choice
- Ultra-quiet and ultra-powerful motorized tracks for Ripplefold® and pinch pleat drapery
- A variety of top treatments that bring focus to the window design, as well as conceal window covering hardware
- Versatile and durable, our manual and motorized Roman shades ensure reliability and ease of use

BEDDING FABRICATION

Our top-of-bed offering includes the entire range of hospitality bedding packages, from duvets and coverlets to bed skirts, bed scarves, pillows, and more.

- Customers may choose to supply their own fabric or Hunter Douglas Hospitality can assist with procurement
- Flexible fabrication options for duvets and coverlets, including closures, decorative details, and more
- Bed skirts available in tailored, cap, box-pleated and hugger styles
- Bed scarves and bed throws add a decorative feature to any bed
- Pillows and shams, including throw pillows, Euro pillows, bolsters, oversized, and custom decorative styles

INFINITY FABRICATION COLLECTION

Pair an Infinity Fabrication Collection fabric with the drapery treatment of your choice.

- Six textured styles in a variety of color options for drapery and Roman shades
- Twelve sheer fabrics to soften any window
- Conveniently order your finished product from a single source
- All fabrics meet NFPA 701 fire rating requirements
