| PRODUCT EXCEPTION CODES | |
|-------------------------|--|
| 1 | Random textures/slubs will not be pattern matched. |
| 2 | Vertical stripes will be cut on the bias on swags and therefore run diagonally. Vertical stripes on pleated products may not evenly appear along pleats. |
| 3 | Patterns best suited for shades less than 51" wide. |
| 4 | Pattern will be slightly hidden by the folds of the Hobbled, Front Fold and Reverse Fold Roman Shades. |
| 6 | Fabric not suitable for banding or trim. |
| 7 | Tissue pick fabrics have yarns found along the back of the fabric that can potentially be seen through the lining of window treatments. |
| 8 | Fabric not suitable for blackout lining or interlining. |
| 9 | Fabric not suitable for Hobbled, Front Fold, and Reverse Fold Roman Shades. |
| 10 | Soft Shades - only available for Soft Roman and Slouch Shade. |
| 11 | When Soft Shades are in the "up" position, folds will not lay crisp if vertical tape trim is applied. |
| 12 | Fabric not suitable for Ripplefold Draperies. |
| 13 | Fabric not suitable for Hydra lining. |
| 15 | Fabric not suitable for Grommet Draperies. |
| 16 | Fabric not suitable for Euro hem. |
