PRODUCT EXCEPTION CODES	
1	Random textures/slubs will not be pattern matched.
2	Vertical stripes will be cut on the bias on swags and therefore run diagonally. Vertical stripes on pleated products may not evenly appear along pleats.
3	Patterns best suited for shades less than 51" wide.
4	Pattern will be slightly hidden by the folds of the Hobbled, Front Fold and Reverse Fold Roman Shades.
6	Fabric not suitable for banding or trim.
7	Tissue pick fabrics have yarns found along the back of the fabric that can potentially be seen through the lining of window treatments.
8	Fabric not suitable for blackout lining or interlining.
9	Fabric not suitable for Hobbled, Front Fold, and Reverse Fold Roman Shades.
10	Soft Shades - only available for Soft Roman and Slouch Shade.
11	When Soft Shades are in the "up" position, folds will not lay crisp if vertical tape trim is applied.
12	Fabric not suitable for Ripplefold Draperies.
13	Fabric not suitable for Hydra lining.
15	Fabric not suitable for Grommet Draperies.
16	Fabric not suitable for Euro hem.
